LEICESTER HIGHCROSS

Protec Fire Detection plc have proved to be a consistently reliable partner with Sir Robert McAlpine on a variety of recent prestigious projects which have included The New Birmingham Bull Ring and Cardinal Place London.

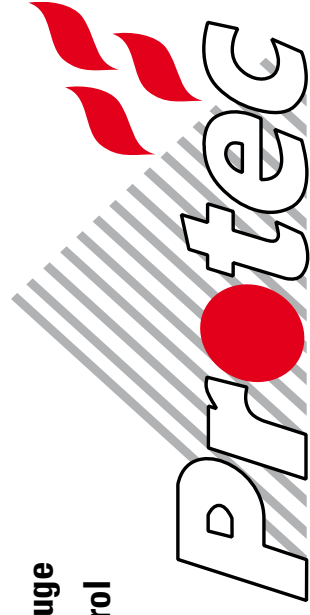

The Highcross and Cabots Circus shopping centres have benefited from our multi-discipline capability where we offer LPS1014 accreditation for the fire alarm installation and our Security and CCTV systems also have Gold accreditation from the National Security Inspectorate (NSI).

The Highcross and Cabot Circus CCTV installations are two of the largest true IP based systems in the UK and demonstrates our specialist capabilities in this vital security discipline.

Our value engineered solution approach does not just end with a successful project, built on time and within budget, we offer nationwide service and maintenance support that is second to none for the peace of mind that Sir Robert McAlpine's customers deserve.
